CMDA receives Service Recognition Award — "Maalee Rey 2013"

CMDA received "Service Recognition Award" at "Maalee Rey 2013", a function hosted by MMA to mark the Maldives financial sector developments. The CEO of CMDA, Ms. Fathimath Shafeega received the award on behalf of CMDA.

The award is a prestigious award designed and presented by MMA to the leading financial institutions of the Maldives as recognition for their contributions to the Maldives financial sector.

CMDA extends its sincere thanks to MMA for recognizing & acknowledging its efforts to develop and regulate the Maldives Capital Market.

The event marked a milestone step towards encouraging the key financial institutions of the Maldives to achieve their goals and make their businesses more productive & efficient which will eventually lead to a greater positive impact on the overall finance industry of the Maldives.

CMDA's 7th Anniversary Celebrations

CMDA celebrated its 7th anniversary on 26th January 2013. In the function held to mark this occasion, the CMDA team & the Board of Directors met informally and marked the

developments & accomplishments in the Maldives Capital Market since the establishment of CMDA back in 2006.

The true flavor of the celebrations came into limelight when recognition awards were presented to the staff of CMDA. Mr. Muznee Mohamed (Manager of Pension Supervision Department) was awarded the "Employee of the Year Award 2012". In addition to this, attendance and punctuality awards were presented to staff with 100% attendance and punctuality records.

"Though it is not a very long time in CMDA's life, it was very elevating to mark the completion of successful 7 years" - Chief Executive Officer, Ms.

Fathimath Shafeega.

CMDA supports SAFE's agenda for promoting Regional Financial Integration

South Asian Federation of Exchanges (SAFE) is a formal organization of Stock Exchanges in South Asian region providing its members with a platform to exchange technologies and experiences for the rapid growth and development of capital markets and work towards regional as well as global integration. CMDA is an associate member of SAFE since 2010.

SAFE's project for Regional Financial Integration funded by USAID Small Grants Program was approved in late 2012. The concept for this project was developed under the specific needs identified by SAARC Secretariat to create

interlinked capital markets in the SAARC region.

SAFE's consultant for RFI project Mr. Amir Raza Khan visited CMDA to discuss the outline of the project and importance of regional financial integration.

The CMDA team had various discussions with the consultant regarding harmonization of Securities Regulations, Corporate Disclosure Requirements, IPO processes, and standards for Market Intermediaries as well as secondary market and trading operations.

CMDA supports SAFE's RFI project as the promotion of cross border investments would bring wide ranging economic growth in the region besides bringing the South Asian economies together.

Raising Finance from the Capital Market-Workshop series of Legal & Regulatory Overview

The Legal & Regulatory Review Project of CMDA was concluded during the last quarter of 2012 and the final report was opened for public consultation. Further to this, the amendments proposed to the existing legal & regulatory framework under the project was officially communicated to the respective parties.

The major focus of this quarter was to conduct legal & regulatory overview workshops with the objective to sensitize the stakeholders about the proposed investment products and concepts.

The 5 types of investment products proposed under the project include classic and custom preferred shares, corporate bonds (both rufiyaa & dollar denominated), securitization, investment funds and real estate funds. The report discusses each of these concepts and its application to the market in detail.

The workshops were attended by officials from the respective government authorities and finance representatives from listed companies, state owned enterprises and private companies.

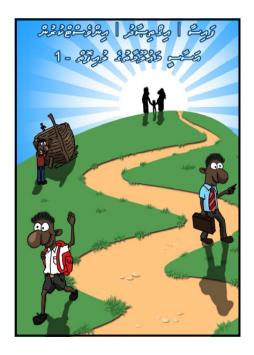

CMDA is open for any query from stakeholders and investors with regard to the new capital market infrastructure proposed in the Legal & Regulatory Assessment Report of Maldives Capital Market, which is made available for download on CMDA website.

National Financial Literacy Initiative-Updates

The National Financial Literacy Initiative (NFLI) of CMDA was introduced with the objective of educating the masses about the basics of finance.

As part of NFLI, CMDA published the first ever personal financial planning booklet written in Dhivehi in January 2013. The book explains the basics of budgeting, investing, investment products and financial markets.

Financial Planning Booklet is available for reading at: http://www.cmda.gov.mv/docs/Financial-

This quarter also witnessed the collaboration between CMDA and the Maldives Pension Office, Maldives Stock Exchange, Maldives Police Service and Maldives National Defense Force in organizing workshops on personal financial planning.

Seminar on Asset Management & Custodial Services conducted by MPAO

The establishment of Maldives Retirement Pension Scheme (MRPS) under the Maldives Pension Act resulted in the introduction of Asset Management and Custodial Services in the Maldives.

Maldives Pension Administration Office (MPAO), as the administrator and the asset manager of MRPS, and, in collaboration with MMA, CMDA and

BML conducted a Seminar on Asset Management & Custodial Services on 21st January 2013.

The seminar provided interesting insights about the business of global asset management and custodial services. Further to this, a comprehensive presentation on investment securities for Maldives was delivered by the legal & regulatory consultant of CMDA.

The seminar provided the audience with the opportunity to interact with the experts panel established for the Seminar including Mr. Jeremy Cadbury (Investment Consultant of MPAO), Mr. Robert H. Singletary (Legal & Regulatory Consultant of CMDA) & Mr. Eraj Wimalasuriya (Country Manager of HSBC).
