Directors Training Program has commenced today

Capital Market Development Authority's Institute of Corporate Directors and Secretaries (ICDS) has commenced its 3rd "Directors Training Programme" (DTP) of 2019 from 27th August 2019 to 29th August 2019 offered to directors of listed companies, state-owned enterprises, and potential and current directors of companies.

The programme aims to educate the participants on the key aspects of corporate governance and the duties of the board towards implementing a governance framework in their companies. The program will also cover fundamental aspects of the companies' law, auditing, anti-corruption, analysis of financial instruments and the current tax system, with the aim to better prepare the participants for their role as board directors.

The facilitators of the programme are local professionals. A total of 26 participants has registered to undertake the programme.
